Subject: High Efficiency Alcohol Fuel Engine

Dear Dr. Brusstar,

On reference of David Read, Patent Attorney, US EPA, he suggested I contact you to receive the latest in engine development and public test data regarding your and et al's US Patent Publication 2008/0230041, entitled "High Efficiency Alcohol Fuel Engine". I am most interested in your development program and look forward to discussing this matter in detail via telephone after reviewing above referenced data.

Data may be sent as follows:

- 1. Email wkreis@kreissyngas.com
- 2. Fax 1-432-682-8936
- 3. US Mail 217 N. Main, Midland, TX 79701

Thanking you in advance.

Respectfully,

Wayne Kreis, Manager Kreis Syngas, LLC 217 N. Main Midland, TX 79701 1-800-323-2255 1-432-682-8935 1-432-682-8936 Fax wkreis@kreissyngas.com
